Psychological counselling for foreign students

Mojmír Mykiska

15.9.2025

What struggles
can an Erasmus
student have?

Living in different culture

- Critical moments
 - Arrival
 - New environment
 - Different people and language
 - Different weather
 - Less time for people from home
 - When „the new“ becomes „known“
 - After phase of excitement -> phase of awakening and understanding what's going on
 - Arrival back home
 - Your home has changed and you missed it
 - You have changed but your home hasn't

Psychological counselling for foreign students

Confidential and free of charge

Help through emotional, personal, relationship, or academic situations, such as:

- anxiety, stress
- interpersonal relationships, feeling of isolation, adjustment to a new culture
- making decisions or choices
- sleep troubles, emotional distress, etc.
- **!Do not wait until the problem has grown serious!**
